Join us for the 1st Annual Project Safe Child Walk-a-Thon!

When & Where: Sunday, June 26th, at Cedar Creek Park in Seaford, New York.

Event day registration begins at 9 AM, the Kids In Danger (KID) Walk-a-Thon will begin at 10 a.m. We'll have public officials and other speakers along with refreshments, friends, family and fun at noon.

Registration for this event is free with a minimum pledge goal of \$50 per participant. All walk participants who raise a \$75 in pledges will receive a goodie bag with great stuff from supportive businesses and event sponsors. Refreshments will be served at noon.

Why "1st" Annual? Due to the relentless efforts of KID, Long Island legislatures and public officials, our NY Senators, parent advocates and the Consumer Product Safety Commission (CPSC), June 26th marks the week when the TOUGHEST safety standards on child safety products takes effect. The event is hosted by two Nassau County mothers who both tragically lost their sons in cribs with drop sides. These dangerous cribs will be banned from the marketplace and babies will be safer than ever before.

How you can help: Form a team to walk for safety! Download our pledge form and collect pledges for your efforts. All funds raised will be used to reach parents and caregivers with life-saving information and continue to work for safety for our children. Volunteer to help at the event and spread the word!
