

Carrying KID's Mission Forward

We want to thank you for all your support over the years. The work we have been able to accomplish together is vital, and will continue on with our trusted partner organizations.

Monthly Recall Digest

[Reese's Purpose](#) and [Safe Kids Worldwide](#) will continue the monthly recall digest, which is a list of children's products that were recalled that month, including links and contact information to participate in the recall.

Reese's Purpose: www.reesepurpose.org

Safe Kids Worldwide: www.safekids.org

Design Safety Toolkit

[International Consumer Product Health and Safety](#)

[Organization \(ICPHSO\)](#) will be managing the KID Design Safety Toolkit, a free online course for children's product developers to educate them about design safety. The Toolkit will remain free for all to use.

KID Design Safety Toolkit: www.kidsafetytoolkit.org

ICPHSO: www.icphso.org

Family Voices Page

[Safe Infant Sleep](#) will host the **Family Voices** pages from KID's page that involve sleep products. **Family Voices** includes parents whose children have been injured or killed by unsafe products who share their stories to prevent other needless injuries and deaths.

Safe Infant Sleep: www.safeinfantsleep.org

Outreach Materials

Outreach materials will be given to groups as requested: [Lurie](#) and [Rush](#) Children's Hospitals, [Safe Infant Sleep](#), [Reese's Purpose](#) and [SIDS of Illinois](#), [Cribs for Kids](#), and others.

Lurie Childrens: www.luriechildrens.org

Rush Childrens: www.rush.edu/kids

SIDS of Illinois: www.sidsillinois.org

Cribs for Kids: www.cribsforkids.org

Recall.It Code

Recall.It is a platform that KID has been working to create for parents and caregivers when shopping to check a product's recall information before purchasing. It will be given to researchers who might be able to create the program as well as platforms to consider integrating.
